Caring, Supportive, Empowering

## The Phoenix Pass First Thousand Family

The concept is simple,  
but the outcome  
will be extraordinary.

# Offering Hope for a Brighter Tomorrow...

*A transitional housing program in the Conyers-Rockdale  
County community serving women and children  
experiencing homelessness or displacement*

## You Are Invited to Become a Member of the Phoenix Pass 'First Thousand Family'

What if by giving \$10 a month, you could offer hope to a homeless woman and her children? *Would you give?* What if your annual donation of \$120 would help provide them an opportunity to reestablish self-sufficiency in a stable residential setting. *Would you donate?* What if you were invited to become part of a caring, supportive family that works to empower others? *Would you join?*

By becoming a member of the "Phoenix Pass First Thousand Family," you can support a program that focuses on empowering clients with supportive services and resources to recover and rebuild productive, stable lifestyles for themselves and their children. Located on the Light House Village campus at 541 Sigman Road, Phoenix Pass is the first transitional housing development in Rockdale County.

"We have been blessed by God to have had the financial support from charitable foundations, businesses and individuals in order to construct this facility," said Ron Simpson, Chairman of the Phoenix Pass Board of Directors. "All the construction we have done so far is fully paid for by these generous donations. Individuals and families throughout Rockdale County now have the opportunity to financially support the operation of this worthwhile program."

Donations of any amount are accepted and appreciated, but if you are one of the first thousand people or families to pledge at least \$120 per year, you will be part of a bigger family that will ensure that Phoenix Pass has the means to truly offer hope to the women and children the program serves. Each "First Thousand Family" member will receive regular updates on the program and will have the opportunity to work as volunteers in many areas of need.

Phoenix Pass is a 501©3 nonprofit organization. All donations are tax-deductible.
